

Quest of Life Media & Broadcast Non-Discrimination Policy

It is the policy of the Quest of Life Media & Broadcast not to discriminate in hiring, membership, or the provision of services in regard to race, color, gender, gender identity, marital status, sexual orientation, political ideology, age, creed, religion, heritage, ancestry, national origin, or sensory, mental, or physical ability.

The Quest of Life Media & Broadcast believes it is appropriate for an organization to provide programs and services to a specific population when the targeted groups require specialized programs to meet specific needs not shared by the general population. Additionally, an organization may provide programs or services to redress current or past discrimination against a targeted group.

The Quest of Life Media & Broadcast is a community foundation working to centralize fundraising, develop and maintain a network of partners, and assisting LGBT Artists in the pursuit of their passion and build an endowment fund for tomorrow. Quest of Life Media & Broadcast funds album production, marketing, provides a network of partner venues, and a network of production partners that ease the challenge of pursuing their passion. We operate nationally.

Artists funded by the Quest of Life Media & Broadcast and partner organizations may target their programs and services, but may not discriminate in regard to race, color, gender, gender identity, marital status, sexual orientation, political ideology, age, creed, religion, heritage, ancestry, national origin, or sensory, mental, or physical ability.
